

## James E. Kraenzlein, CPA/ABV/CFF, CVA

### Areas of Expertise

- Business valuation and litigation support
- Tax compliance and consulting
- Audit and accounting

**Current Position:** Shareholder

Since joining the Firm in 1995, Jim has been extensively involved in providing tax, audit and management consulting services to our clients. Jim has experience working with a broad spectrum of clients in the for-profit, non-profit and governmental arenas. Jim continues to apply this experience by working closely with business and individual clients in the tax and consulting arenas, as well as significant time devoted to accounting and auditing services.

In addition to being a CPA (Certified Public Accountant), Jim has earned the CVA (Certified Valuation Analyst), the ABV (Accredited in Business Valuations), and the CFF (Certified in Financial Forensics) credentials. Jim leads the business valuation, fraud analysis and litigation support service sectors of the Firm.

Jim is a graduate of Western Michigan University with a Bachelor of Business Administration in accounting.

### Professional and Community Organizations:

- American Institute of Certified Public Accountants, including the Forensic and Valuation Services specialty section
- Michigan Association of Certified Public Accountants
- National Association of Certified Valuation Analysts
